Electric Scissor Lift

The Snorkel SL20 Electric Scissor Lift combines a narrow width of 32 inches with a powerful lift capacity of 800 lbs. It has a 20-foot platform height and a working height of 26 feet.

The Snorkel SL20 has 24 volt electric power, a battery charger, non-marking tires, an extendable deck, and multi-speed drive and lift controls. Its narrow width allows it to fit through standards doors with no need to lower rails.
